

Shakaat Artist-in-Residence Program

2022 Application

The Kwanlin Dün Cultural Centre is proud to once again invite Indigenous artists to apply to our annual Artist-in-Residence Program. This is a paid, community-based program that encourages, supports and showcases Indigenous art and provides opportunity for the visiting public to engage with Indigenous artists. The program will take place during the 2022 summer season in the KDCC's Culture Cabins.

Artists will set up their studio for a three-week period and demonstrate their art form at the Kwanlin Dün Cultural Centre. During their time at the Centre, the artist will also deliver a workshop that is open to the public, participate in social media content and create or have a piece available for a pop-up gallery at the KDCC.
